2

How does Cytosurge
use Odoo ?

3

The benefits of using
Odoo for Cytosurge

Benefits.

- Fully integrated system
- Complete traceability of production and quality control process
- Modern website, with 3x more visitors !
- Increased customers' satisfaction

“We do get a lot of envious customers/suppliers. They all fall in love with our ERP as they see it in action”

– Pascal Behr, Cytosurge’s CEO

Thank you.
