

# Event

Manage your Event in 2016

Julien Stevens • Functional consultant

Introduction

Demo in Odoo V10

Fully Integrated

Conclusion

# Introduction

Find people who share your  
values, and you'll conquer the  
world together

— John Ratzenberger

# How to manage an event?

- Program - Agenda management
- Main Info (date, time, address, room...)
- Promote your event (ex: Website, Social Networks, Mass Mailings)
- Qualify the subscriptions (Company, Student...)
- Sale of tickets (Free, Premium, VIP,...)
- Attendances analysis

# Odoo 10 Event

# Event in Odoo 10
