CISCO

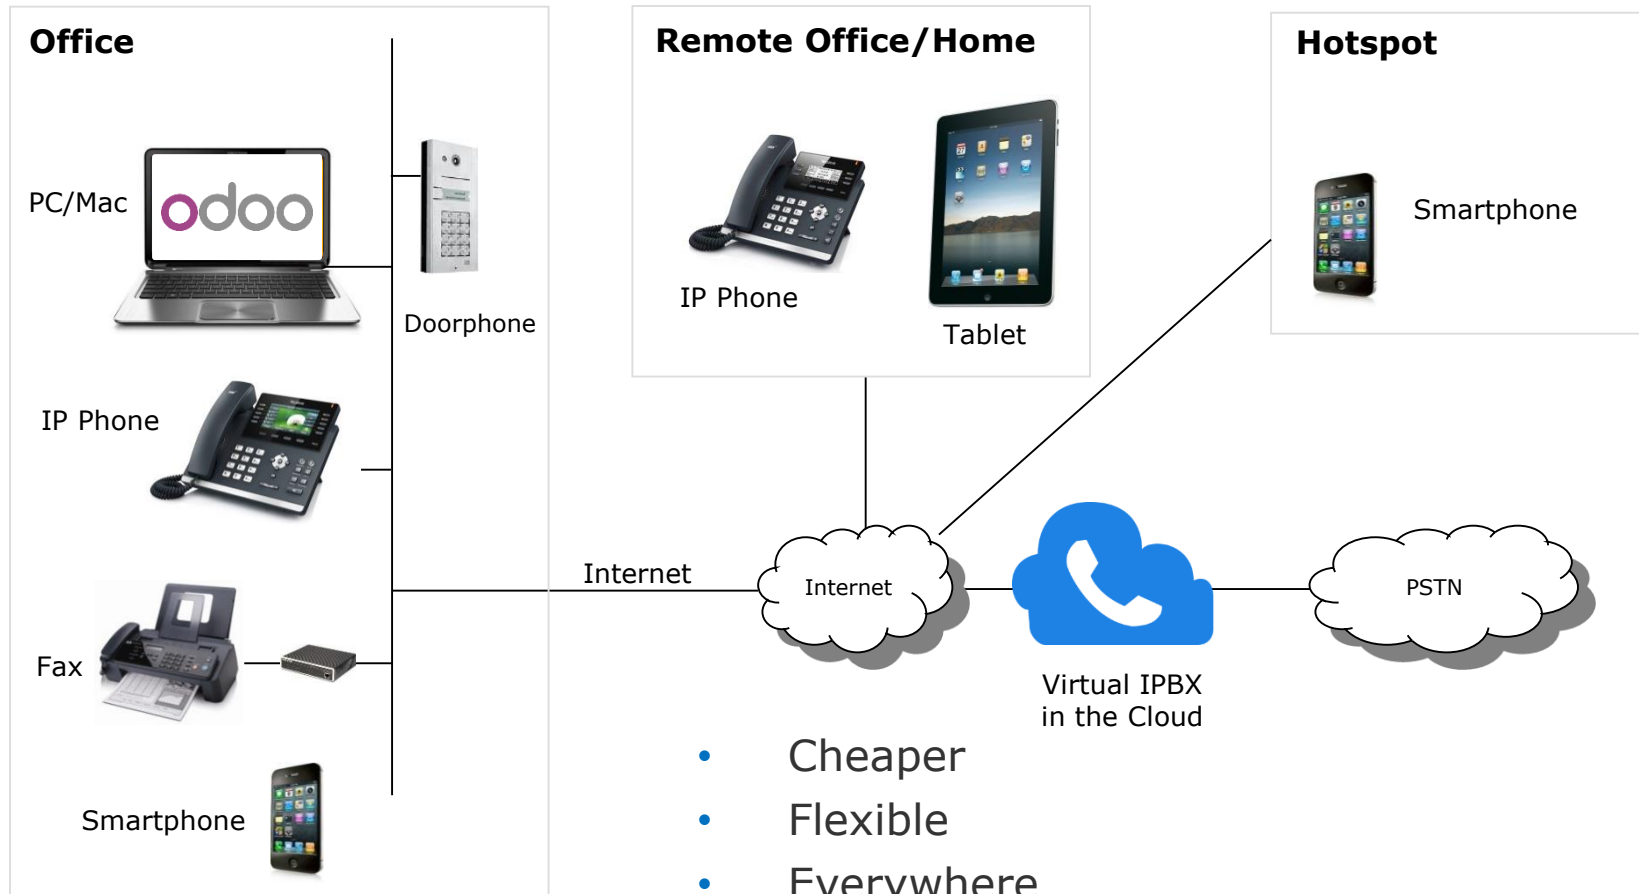

Traditional Telephony

ALLOcloud.com

Cloud IP Telephony

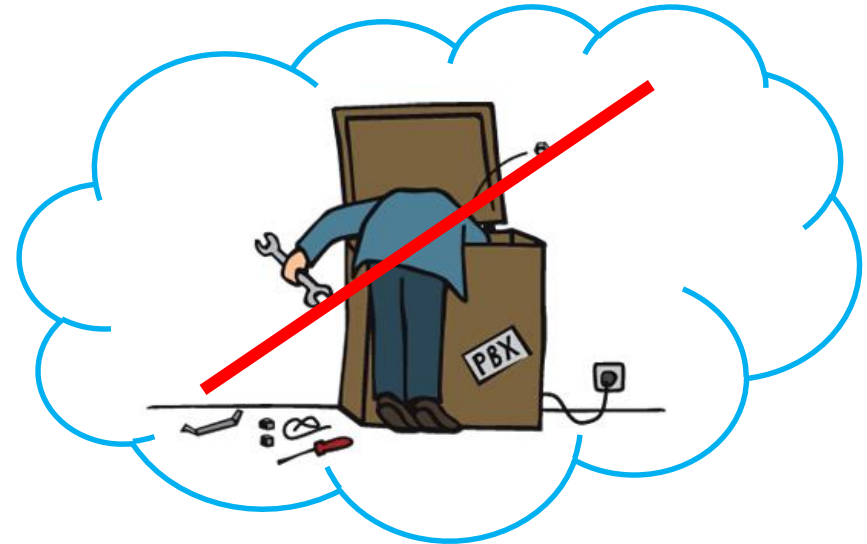

- Cheaper
- Flexible
- Everywhere
- On all devices
- Voice, video, Instant Messaging...

Vision of Cloud Telephony

- O T T (Over The Top = Internet connectivity independent)
- Pay per use
- Simple to market
- Simple to manage
- Simple to install
- Simple to integrate

Must bring much more value than today's PBX!

What people pretend you need to know...

SIP
